

THIS WEEK IN THE BIBLE

This week in the Old Testament, we get an idea of just how numerous the Israelites have become. They worry and complain about how they will be fed in the wilderness, and although their lack of faith gets them into trouble, God still provides for them. In the New Testament, Jesus continues ministering right up to the night of his arrest. Though he struggles with the knowledge of his coming suffering, he also gives his followers a glimpse of the future, when he will return.

THIS WEEK IN THE BIBLE

Join us as we move on to Luke's account of the life of Jesus, which begins with the unusual events surrounding the birth of the one who was the "voice shouting in the wilderness"—John the Baptist. In the Old Testament, the Israelites continue to wander in the wilderness as God leads them through encounters with hostile nations and an unscrupulous sorcerer named Balaam. Then, an important figure—the last person anyone would suspect—stumbles into sin and is permanently barred from entering the Promised Land.

THIS WEEK IN THE BIBLE

In the Old Testament, the Israelites arrive at the edge of the Promised Land after long years of wandering. Moses allots a portion of the land to each tribe of Israel and, as Deuteronomy opens, calls the people to remember all the great things that God has done for them. In the New Testament, Jesus begins preaching the Good News, encouraging his listeners to love one another and to serve God wholeheartedly.

THIS WEEK IN THE BIBLE

This week, the Old Testament gives us a crash course in God's law. Moses reminds the Israelites of God's purpose for them. In Luke, Jesus' followers swell in number as he casts out demons, works miracles, and extends compassion to the faithful and the doubting. Luke also draws special attention to the women who followed Jesus: Joanna, a business manager for Herod; Mary Magdalene; and even a bleeding, suffering woman who receives healing through faith.
